- Global warming and food security
- Impact of human life on ecosystem change
- Role of citizens in the climate emergency
- Climate change monitoring technologies and tools

GWCE - 2022

Make a change

For the climate change

ABOUT CONFERENCE

Recently, the COP 26 UN Climate Change Conference took place from 31st October to 12th November 2021 in the Scottish Event Campus (SEC) in Glasgow, UK. Participant nations took a range of decisions in the collective effort to limit global temperature rise to 1.5 degrees. The Action for Climate Empowerment (ACE) re-emphasized the need to empower all members of society to engage in climate action, through education, training, public awareness, public participation, public access to information, and international cooperation on these issues. Hence, SASTRA Students' ExNoRa along with SASTRA management also would like to join hands for the climate actions to combat the nearing climate emergency that will be a threat to mankind on this planet. This Indo-Canadian Bilateral Virtual Conference titled "Global Warming and Climate Emergency-Visions and Missions (GWCE-2022)" will provide a good platform for young climate advocates and action plan members to get inspired by many climate change researchers, policymakers, and experienced climate change experts.

OUR JOURNEY

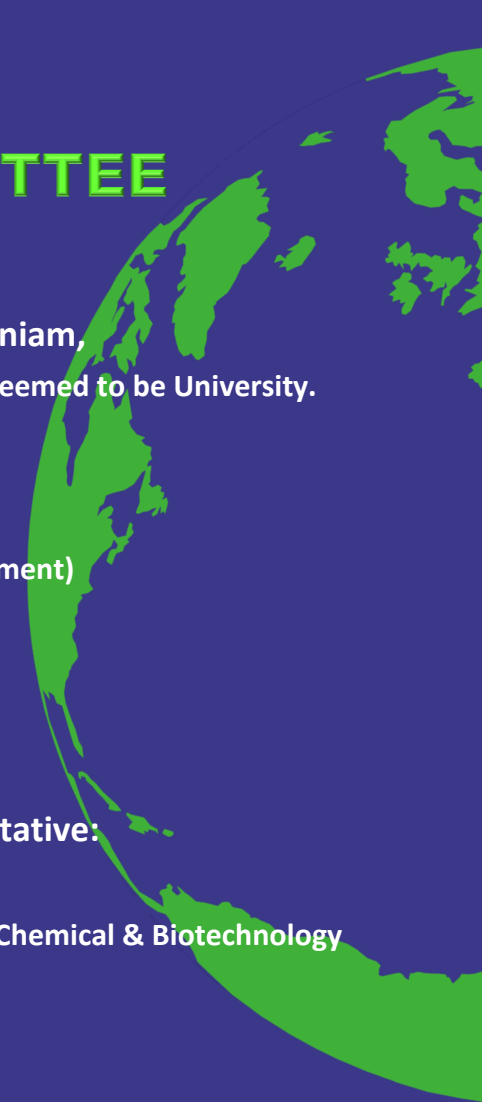

SASTRA Deemed to be University is one of the India's premier institutions offering undergraduate, postgraduate & doctoral programmes in Engineering, Management, Law, Sciences, Humanities and Education. It was conferred Deemed-to-be-University status in 2001 by the University Grants Commission under Section 3 of the UGC Act 1956. As a comprehensive University, its teaching programmes are complemented by research engagements, consultancy assignments, training, and extension activities. It had been re-accredited by NAAC (third cycle) with a maximum grade of 'A+' (3.54/4.00) and is a Category I Institution based on the UGC's categorization of Universities for Graded Autonomy Regulations, 2018.

SHASTRI INDO-CANADIAN INSTITUTE: The Shastri Indo-Canadian Institute has been fostering scholarly activities between India and Canada over the past fifty years. The institute strengthens the bi-national links between academia, the business community, and civil society organizations by funding various research and hosting seminars. SICI is the only institution that has 116 premier academic institutions in India as its members, and 39 universities in Canada. The mission is to further widen the intellectual and cultural linkages through progressive research.

SASTRA Students' ExNoRa is a student activity group at SASTRA Deemed to be University involved in environmental-related activities. We are part of ExNoRa International, a non-governmental environmental service organization started in 1989 in Chennai, Tamil Nadu, India, by M. B. Nirmal, a social activist. It focuses on preserving nature and preventing environmental degradation.

OUR COMMITTEE

- Chief Patron:
Dr. S. Vaidhyasubramaniam,
Vice-Chancellor, SASTRA Deemed to be University.
- Patron:
Dr. S. Swaminathan,
Dean (Planning & Development)
- Chair Person:
Dr. R. Chandramouli,
Registrar
- SICI Member Representative:
Dr. V. Ponnusami,
Associate Dean, School of Chemical & Biotechnology
- Convener:
Dr. V. Badrinath,
Dean, School of Management & Corporate Relations
SASTRA Deemed to be University
- Organising Committee:
Dr. Senthil Visaga Ambi, SCBT
Dr. Vinod Kumar N, SCBT
Dr. Suma Mohan S, SCBT
- Program coordinators :
Dr. K. Palaksha Reddy, SoME
Dr. V. Vidya, SASH
Dr. R. Kavitha, SoC
Dr. P. Saravanan, SoC
Mr. M.P. Karthikeyan, SoC
Mr. M. Thalaimaichamy, EEE
Mr. T. Nirmalraj, EEE
Mr. Kumaravel Raja R, SoL
Team, SASTRA Students ExNoRa

PROGRAMME SCHEDULE

Speakers

DAY 1 (11th March 2022)

Prof. B. Hariharan Vice-President, Shastri Indo-Canadian Institute, New Delhi	2:00 PM
Padmashri S. Damodaran Founder, CEO, Gramalaya, Trichy	2:15 PM
Dr. Santonu Goswami Associate Professor, Azim Premji University Founder, Climate Community Lab	2:30 PM – 3:30 PM
Prof. M. Govindaraju Head, Department of Environmental Biotechnology, Bharathidasan University	3:30 PM – 4:30 PM
Dr. N. Parasuraman Principal Scientist, M S Swaminathan Research Foundation, Chennai	4:30 PM – 5:30 PM

DAY 2 (12th March 2022)

Dr. Yogesh K. Tiwari Scientist E, Indian Institute of Tropical Meteorology (IITM), Pune	2:00 PM – 3:00 PM

STUDENTSEVENTS

CLIMATHON – Hackathon

With the solution demanding ideas from diverse fields, there must be no greater chance than a hackathon to throw light on your ideas and work on solutions that are likely to make a difference, no matter how small or big it is, because saving our world from global warming and addressing climate emergencies is the need of the hour. So make your ideas into reality with this hackathon.

Video/ Song/ Short film making Contest

Through the power of visual media bring forth your creativity to generate awareness about global warming and its aftereffects for the upcoming generation.

Poster Making/ Drawing Contest

Bring life to your imagination with this contest by creating an artwork or designing a poster to spread awareness about Global Warming.

GWCE-2022 Quiz competition

How well do you know the climate crisis? Test your knowledge with this quiz about global temperature change and its impact on Earth's climate.

Global Warming Elocution

Let your voice be heard! Come up with a talk that explains the problems and innovative remedies from a pool of topics regarding Global warming and the UN Sustainable Goals.

e-certificates will be provided to all the finalists

EXCITING PRIZES

AWAIT YOU !
