Mitacs Globalink Research Award Application

INSTRUCTIONS

- Globalink Research Award projects **may need to be** co-funded by the Canadian university. Your Mitacs Business Development representative will notify you if your institution's endorsement is required.
- Ensure you complete all fields in this application form in English. Failure to submit a complete application form may result in delays.
- The application form must be submitted in its original, fillable format. Sections 6 & 7 only may be submitted as a scanned PDF, if digital signatures cannot be obtained.
- Mitacs recommends keeping individual PDF files to less than 10 MB.
- The intern, Canadian academic supervisor, primary international academic supervisor, and the appropriate Canadian institution offices are required to sign the form.
- All parties involved with Mitacs programs should review the following policy statement and guidelines provided by ISED and the Government of Canada:
  - ISED "Policy Statement on Research Security and COVID-19" (https://www.canada.ca/en/innovation-science-economic-development/news/2020/09/policy-statement-on-research-security-and-covid-19.html)
  - Government of Canada "Safeguarding Your Research" Portal (https://www.ic.gc.ca/eic/site/063.nsf/eng/h_97955.html)
