

L'INSTITUT INDO-CANADIEN **SHASTRI** INDO-CANADIAN INSTITUTE

## SHASTRI STUDENT RESEARCH IN INDIA FELLOWSHIP (SSRIF) PROJECT

**Presents Research Opportunities in India for Canadian Undergrad and Grad Students!**

SICI is offering young Canadians (undergrad and grad students) an exciting research mobility experience in India! Our SSRIF Project is accepting applications from students for a 12-week research project in India under the supervision of Indian faculty members in their host Indian institutions in subject areas that they desire/require research experience.

### How to apply

Email your complete electronic application form to [siciapp@ucalgary.ca](mailto:siciapp@ucalgary.ca) with the subject line "**SSRIF Project 2023-24**" on or before September 30, 2023, by 9:00 pm (MST).

### Value of SSRIF Project Grant

CAD\$ 7,000/per grant (grant value covers air travel (international and local), ground transportation, rent, visa, vaccination, health insurance, communications, and stipend)

### Number of SSRIF Project Grants

Fifteen (15)  
50% (at least 7) SSRIF Project Grants are reserved for financially challenged and Indigenous students.

### SSRIF Research Timeframe and Placement Duration in India

November 2023 to April 2024 (12 Weeks).
